The Wallonia Export-Investment Agency (AWEX) is the Wallonia Region of Belgium's government agency in charge of foreign trade promotion and foreign investment attraction.

The agency has a worldwide network of 100 Economic and Trade Attachés.

AWEX has been certified ISO 9001 since April 2002.

As a foreign trade agency, AWEX carries out a mission of promotion and information for the benefit of both Wallonia and the foreign business community.

Upon request, AWEX assists buyers, decision-makers, importers and foreign prospects by:

- Providing economic data on Wallonia and its export potential
- Disseminating information on products and services from companies located in Wallonia
- Identifying companies in Wallonia for international partnerships
- Distributing lists of exporters from Wallonia

As an export partner for Wallonia-based companies, Awex offers a wide range of export-oriented services and activities:

- General and commercial information on foreign markets
- Market studies tailored to specific areas upon request
- Organization and planning of marketing activities (international trade shows, economic missions, sector-based contact days...)
- Establishing contacts with international organizations
- Promoting Wallonia's export potential abroad
- Financial support and export financing
- Training in international careers

As a foreign investment agency, AWEX - via its Office for Foreign Investors - has an overall responsibility for the attraction of foreign investment in Wallonia. This includes seeking out and providing information to potential foreign investors. The Agency also offers a pro-active follow-up service to investors already established in Wallonia. In addition, it is in charge of identifying new foreign investors for the acquisition of industrial sites under restructuring process.

Het Waalse Agentschap voor Export en Buitenlandse Investerings (AWEx) is de afdeling van het Waalse Gewest van België die verantwoordelijk is voor de promotie van de buitenlandse handel en van de buitenlandse investeringen. AWEx beschikt over een netwerk van 100 Economische en Handelsattachés in de wereld. AWEx kreeg het ISO 9001:2000 certificaat in april 2002.

Wat betreft de buitenlandse handel, bezorgt het agentschap een opdracht van promotie en informatie, zowel ten opzichte van internationale als Waalse zakenkringen.

Voor kopers, decision makers, invoerders en buitenlandse potentiële klanten, stelt het agentschap op simpele aanvraag voor :

- Economische gegevens over Wallonië en over zijn uitvoerende potentieel overdragen
- Informatie over producten en diensten van de Waalse ondernemingen meedelen
- Waalse ondernemingen zoeken voor het afsluiten van internationale partnerships
- Waalse uitvoerderslijsten spreiden

Het agentschap is voor de Waalse ondernemingen hun volle partner voor internationale handel, en stelt hen voor een verscheidenheid van diensten en activiteiten die alle stappen van een uitvoerend verzoek dekt :

- Algemene handelsinformatie over buitenlandse markten
- Opstel van individuele marktonderzoeken op aanvraag
- Organisatie van prospectieacties (deelneming aan internationale beurzen, houden van economische missies, sectorale contactdagen, ...)
- Contacten met internationale organisaties
- Promoting van Wallonië en van zijn uitvoerende potentieel in het buitenland
- Financiële steun en financiering van de uitvoer
- Opleiding en bewustmaking voor de internationale beroepen.

Wat betreft de buitenlandse investeringen dekt het agentschap - door middel van zijn afdeling "Office for foreign Investors - een algemene bevoegdheid van promotie, prospectie en informatie van potentiële investeerders. Het dekt ook een actief follow-up van de in Wallonië gevestigde investeerders, als ook een opdracht van overnemersonderzoek voor Waalse industriesites in herstructurering.

Confitures fines

ADDED VALUE

CONFITURE L'ARDENNAISE produces jams for over more than 60 years. In 2009 we invested in a new cooking system which allows us to cook our fruit under vacuum at a low temperature. With a condenser we regain the evaporated aromas and we re-insert them in the final product. This gives us big chunks of fruit, a nice color and an intense flavor.

PRODUCT RANGE

CONFITURE L'ARDENNAISE produces conventional jams (Vallée de l'Ourthe 370g) and jam with no added sugar (L'Ardennaise 250g). But we also produce these products with organic ingredients => our Pur Natur range. We also produce PL and we are very flexible concerning packaging.
